

SMART TV MIRROR

Unique design configuration options include display size, mirror size, framing, technology upgrades and more. Enjoy entertainment without compromising on design. Liteharbor smart mirrors are created to reflect your style while allowing you to be better prepared for each day. It's a high performance TV when it on, a stunning mirror when it off. Discover connectivity to your digital life like never before. Liteharbor offers you the highest quality Vanity TV Mirror viewing experience with displays, and let you enjoy your smart life.

INFINITE TV SIZE OPTIONS

No company highly values your project than Liteharbor. No project is too small or too big for us. You are definitely have the freedom to re-create the design that you want as our TV sizes start from 12.1" all the way up to gigantic 85".

With more TV sizes to choose from, Liteharbor offers you almost boundless state-of-the art design options. We can arrange the TV unit where ever you like to place it in the mirror. You can also choose to position the TV units vertically or install multiple TV's in one mirror and add small mirrors to suit your vogue taste.

Cinematic 4 K Ultra HD Resolutions Come closer and be mesmerized. As you sit closer to the screen, you will be immersed with vivid details, intense depth and stunning color resolution to the images, making them look incredibly alive—more peering through a window than actually watching in a mirror TV.

LITEHARBOR TV MIRRORS

Entertainment TV Mirrors

Enjoy entertainment without compromising on design. Liteharbor TV Mirrors are created to reflect your style, not distract from it. A high performance TV when it on, A stunning mirror when it off.

Entertainment Glass

CUSTOM DESIGN OPTIONS

Custom Frame
Mirror Shape
Custom Holes
Matching Mirrors

VANISHING TECHNOLOGY

Elegance in an instant. Vanishing glass is designed to provide excellent mirror reflectivity while making it possible for a television to completely disappear when turned off.

CUSTOMIZATION

Unique design configuration options include display size, mirror size, framing, technology upgrades and more.

ULTRA HIGH DEFINITION

4K UHD picture clarity—four times the resolution of regular HD—amazingly sharp details immerse you in the moment.*

FRAME OPTIONS

Frameless or not, Liteharbor is just gorgeously perfect. We offer more than 80 styles of sophisticated designer frames that we can use to frame your Mirror TV.

WOODEN-FRAME

Liteharbor also offers you the highest quality solid wooden frames, a variety of frames are optional, and warm welcome customers with map customization.

ALUMINUM FRAME

Liteharbor offers a wide variety of Aluminum frames from a small 1/3" trim to impressive 3" frames. These Aluminum frames come in polished, brushed, wire drawing or electroplating version.

LIFE IS SMART, VERY SMART

Turn your Mirror into a Liteharbor Smart TV Mirror

Optionally Installed with it is the Android 6, it allows you to easily connect your TV mirror to your Wi-Fi network to see all your favorite programs or simply livestream the content of your smart phone or tablet. Enjoy!

TV mirror comes complete, ready to install

When your Liteharbor mirror arrives, you can easily install and enjoy it immediately. Everything else that you need is included.
