

ILLUMINATED MIRROR CABINET

Mirror cabinets are a great way to save space in your bathroom while providing all the storage of an ordinary cabinet. Having a place in the bathroom to store your toothbrush, cosmetics, shampoo and everything else that you find in the bathroom is essential. Bathroom mirror cabinets also come with added functions including digital clocks to keep you on time, mirrors and shaver sockets to charge your toothbrush or power your razor. Our range of mirrored cabinets has something for every bathroom, with a variety of options to fit into any space or reflect any style.

LITEHARBOR LED LIGHTED MIRROR CABINET

With updates features designed to meet your changing needs, Liteharbor LED Lighted Mirror Cabinet provides you the integrated electrical outlets and USB ports make multi-tasking a breeze. Liteharbor LED Lighted Mirror Cabinet offers the large capacity storage space, razor holder, accessory trays, and adjustable shelving easily accommodate your must-have essentials and give you a convenient life.

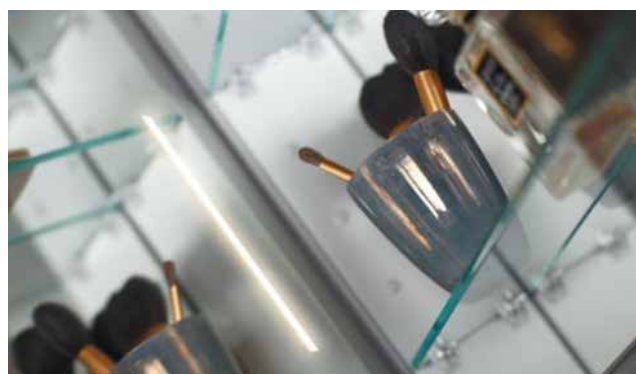

Loaded with features, the Liteharbor cabinet has everything you need plus premium craftsmanship.

Electrical Outlets & USB

Power when and where you need it most, with the added benefit of an integrated USB port to conveniently charge your mobile and media devices.

Interior Illumination

Find what you're looking for more easily with an interior LED light that turns on and off with the exterior task lights.

Built-in Mirror

When you open your mirror cabinet, you will find that the storage rack inside is also equipped with a built-in mirror. This convenient design shows that you can always look in the mirror.

Magnifying Mirror

Use the small magnifying mirror to perform detailed tasks like tweezing. Position the mirror along the inside edge of the door for easy viewing.
